PROFILE

Experienced Senior Visual Designer with a proven track record in the design industry. Proficient in Web Design, UI/UX Design, and Graphic Design. Strong entrepreneurial mindset with a Bachelor of Engineering (B.E.) in Computer Science from Vidyavardhaka College of Engineering.

EXPERIENCE

Senior UI/UX Developer

UNIABROAD Technology Pvt. Ltd. | Mysore | Jan 2023 – Present

- Spearheaded the UI/UX redesign of UNIPREP, UNIAPPLY, SOPEXPERT, and the UNIABROAD website, resulting in a cohesive and user-friendly experience across all platforms.
- Implemented innovative design solutions for the frontend of the products, enhancing user engagement and satisfaction.
- Designed and optimized the CRM admin panel, improving internal workflows and user interactions with the system.
- Collaborated closely with development teams to ensure seamless integration of design elements and adherence to design guidelines across all products.

Senior Visual Designer

Tapovan Estates | Mysore | Feb 2022 – Dec 2022

- Set the visual style for various interfaces, such as websites and mobile apps.
- Create layouts that support a company's voice or style through its visual touchpoints while adhering to brand requirements.
- Create user-centered interaction models, wireframes, or prototypes of the user interface.
- Create icons, logos, print media and infographics.
- Produce and arrange production resources. Resize resources for tablet, smartphone, and web platforms.
- Work on event materials, presentation materials, and email marketing materials.

Freelance Graphic Designer

Design Infuse | Mysore | May 2020 – Feb 2022

Media Monk | Mysore | Apr 2020 – Feb 2022

UI/UX Designer

Techtologics | Mysore | Nov 2017 – Apr 2020

- Together with developers, collect and assess user requirements.
- Using storyboards, process flows, and sitemaps, illustrate design concepts.
- Create visual user interface components such as menus, tabs, and widgets.
- Create UI mockups and prototypes that clearly show how websites work and appear.
- Determine and address UX issues (e.g., responsiveness).
